To the Members of  
ShelterBox Canada

## Opinion

We have audited the financial statements of ShelterBox Canada, which comprise the statement of financial position as at June 30, 2021, and the statements of operations, changes in fund balances, and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at June 30, 2021, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

## Basis for opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## Notes to the Financial Statements

June 30, 2021

---

### 1. Nature of operations

ShelterBox Canada (the "Organization" or "ShelterBox") was incorporated as a not-for-profit corporation under the laws of the Province of Ontario on September 17, 2010 and subsequently incorporated under the Canada Not-for-profit Corporations Act on February 4, 2016. ShelterBox registered as a Canadian charitable organization with the Canada Revenue Agency effective October 28, 2010, and as such is exempt from paying income tax.

ShelterBox Canada's purpose is to provide humanitarian aid in the form of shelter and other vital supplies to people displaced by natural and man-made disasters worldwide. A typical ShelterBox contains a family tent, blankets, a water purification kit, ground sheets, cooking utensils, a cook stove, a tool kit, a children's activity pack and other vital aid. ShelterBox also deploys ShelterKits for building repair.

---

### 2. Summary of significant accounting policies

These financial statements are prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO). The significant accounting policies in effect are summarized below:

#### Use of estimates

The preparation of financial statements in conformity with ASNPO requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the statement of financial position date and the reported amounts of revenue and expenses during the fiscal year. The most significant estimate is the accrual of liabilities. Actual results could differ from those estimates.

#### Revenue recognition

The Organization follows the restricted fund method for accounting for revenue. Grants and donations are recorded as received or receivable. Restricted grants and donations are recorded in the appropriate restricted fund when received. Donations and grants which are externally restricted for which there is no related restricted fund are deferred and recognized as revenue in the unrestricted fund in the fiscal year in which the related expenses are incurred.

Wage subsidies, rent subsidies, and interest revenue are recognized as earned.

#### Fund balances

The fund balances of the Organization consist of the following:

##### *Invested in capital assets*

Invested in capital assets accounts for the purchase of capital assets of the Organization.

##### *Unrestricted*

The unrestricted fund balance accounts for the funds received that may be applied to the Organization's fundraising, marketing, administrative, or mission activities.

---

# ShelterBox Canada

## Notes to the Financial Statements

June 30, 2021

---

### 2. Summary of significant accounting policies (continued)

#### Fund balances (continued)

##### *Restricted*

Funds restricted are made up of donations received which are restricted by donors for the purchase of ShelterBox aid less the distributions made to victims of disaster.

##### *Internally restricted*

The internally restricted funds consist of an operating reserve intended to provide an internal source of funds to sustain essential operations during protracted periods between major disaster activity that result in an unanticipated loss of funding. The reserve may also be used for one-time, non-recurring expenses that will build long-term capacity. The reserve is not intended to replace a permanent loss in funding or eliminate an ongoing budget gap. The reserve is to be maintained at a minimum of three months of operating expenses and within an accepted range that is considered reasonable in the charity sector. The reserve cannot be used without Executive Committee and Board of Directors approval. It is the intention of ShelterBox Canada for operating reserves to be used and replenished within a reasonably short period of time.

#### Capital assets

Purchased capital assets are capitalized and amortized on a straight-line basis over their estimated useful life at the following rates:

Office furniture and equipment	5 years
Computer equipment	3 years

#### Donated services

The Organization receives assistance in the form of donated services. No value of donated services is recorded in these financial statements due to the difficulty in determining the fair value of these services.

#### Financial instruments

The Organization's financial instruments are composed of cash, accounts receivable and accounts payable. Financial instruments are initially recorded at fair value and subsequently measured at amortized cost (less impairment in the case of financial assets).

For financial assets measured at amortized cost, the Organization regularly assesses whether there are any indications of impairment. Any impairment loss is recognized in the statement of operations.

## Notes to the Financial Statements

June 30, 2021

### 3. Capital assets

			<u>2021</u>	<u>2020</u>
	<u>Cost</u>	<u>Accumulated Amortization</u>	<u>Net Book Value</u>	<u>Net Book Value</u>
Office furniture and equipment	\$ 3,622	\$ 3,622	\$ -	\$ -
Computer equipment	<u>11,431</u>	<u>11,036</u>	<u>395</u>	<u>-</u>
	<u>\$ 15,053</u>	<u>\$ 14,658</u>	<u>\$ 395</u>	<u>\$ -</u>

### 4. Accounts payable and accrued liabilities

	<u>2021</u>	<u>2020</u>
Accrued expenses	\$ 19,081	\$ 8,821
ShelterBox Aid	<u>-</u>	<u>224,845</u>
	<u>\$ 19,081</u>	<u>\$ 233,666</u>

### 5. Revenue - donations

ShelterBox Canada received \$634,219 (2020 - \$751,846) in donations for ShelterBox aid in the fiscal year ended June 30, 2021. Of these donations, \$286,482 (2020 - \$404,702) were restricted by donors for the purchase and distribution of ShelterBox aid and are reflected as restricted revenue for the purchase and distribution of ShelterBox aid.

For the fiscal year ended June 30, 2021, ShelterBox Canada paid \$370,278 (2020 - \$468,461) for the purchase and distribution of ShelterBox aid. At June 30, 2021, the Organization held \$186,231 (2020 - \$270,027) in funds restricted for the purchase and distribution of ShelterBox aid that will be paid upon invoice from the suppliers.

### 6. Financial instruments

#### Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for another party by failing to discharge an obligation. The Organization is exposed to credit risk in accounts receivable. It is management's opinion that the Organization is not exposed to significant credit risk related to accounts receivable. The allowance for doubtful accounts at June 30, 2021 is \$Nil (2020 - \$Nil).

#### Liquidity risk

Liquidity risk is the risk that the Organization will encounter difficulty in meeting the obligations associated with its financial liabilities. The Organization is exposed to this risk mainly in respect of its accounts payable.

### 7. COVID-19

The outbreak of a novel strain of coronavirus ("COVID-19") was declared a global pandemic by the World Health Organization in March 2020. COVID-19 has severely impacted many economies around the globe. In many countries, including Canada, businesses were forced to cease or limit operations for long period of time. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing, and closures of non-essential services have triggered significant disruptions to businesses worldwide, resulting in an economic slowdown. Global stock markets have also experienced great volatility and a significant weakening. Governments and central banks have responded with monetary and fiscal interventions to stabilize economic conditions.

The duration and impact of the pandemic, as well as the effectiveness of government and central bank responses remains unclear at this time. It is not possible to reliably estimate the duration and severity of these consequences, as well as their impact on the financial position of the Organization for future periods. In 2021, the Organization adjusted its operations in order to limit the exposure of the virus. Over the course of the pandemic the Organization has seen a decline in donations. As at the audit report date, the Organization continues to operate and fund projects. The Organization anticipates that available liquid assets and ongoing cost mitigation efforts will provide the necessary support to sustain the Organization.
