## HOW IS SHELTERBOX RESPONDING?

**We are working on three projects – two within Ukraine and one to support refugees fleeing the country.**

1. We are working with our partner, People in Need, to provide mattresses for collective centres like schools and churches in Lviv, Ukraine. Collective centres are places where people fleeing conflict-affected areas are seeking shelter and safety. The mattresses will help people sleep and keep warm.
2. We are preparing to provide shelter kits with tools and rope, high thermal blankets, hygiene kits including items like soap, washing powder and toothpaste, solar lights, buckets and water carriers to help people survive in buildings damaged by the conflict.
3. We are supporting refugees in neighbouring countries with items they can carry with them like hygiene items & winter coats.
