FREQUENTLY ASKED QUESTIONS

How will we be sending aid? We have a team in Poland preparing to provide emergency shelter and aid to people within Ukraine as well as people who have fled the country. Our aid stock in Belgium allows us to send aid quickly. We are currently working with other in-country partners – including Rotary – so that we can support as many people as possible.

What aid is ShelterBox providing? To support people inside Ukraine, we're providing aid items like mattresses, shelter kits with tools and rope, hygiene kits, solar lights, and water carriers. We are also providing cash assistance and hygiene kits to Ukrainian refugees seeking safety in Moldova.

How will my donation help? Your donation will help provide lifesaving aid for families affected by the Ukraine crisis or other conflicts and disasters around the world.

Who is ShelterBox Canada? ShelterBox is an international disaster relief organization that delivers aid to families devastated by conflict or disaster, to provide them safe shelter and the tools to rebuild their lives and communities.
