

WHAT YOUR SUPPORT COULD PROVIDE

SHELTERBOX

Our sturdy green ShelterBoxes are filled with shelter and the essential items a family needs to start the process of recovery.

FAMILY TENT

Our custom-made disaster relief tents give families a safe place to sleep at night.

CLEAN WATER

Emergency water purification provides safe drinking water, minimizing water-borne disease.

SHELTER KIT

Our customized kits are packed full of tools and heavy-duty materials to help families repair their homes or build a locally-appropriate shelter.

BLANKET

Blankets not only provide vital warmth, but comfort too when families are recovering from disaster.

SOLAR LIGHTS

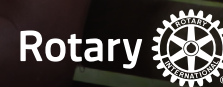

These inflatable solar-powered lights provide normalcy, safety and even survival to people living in disaster zones.

YOUR IMPACT

When Super Typhoon Rai ravaged parts of the Philippines, it damaged and destroyed 1.7 million homes. With help from our supporters and the Rotary Club of Cebu, we provided shelter and emergency aid to over 100,000 people. Romnick's family was one of them, receiving a shelter kit consisting of tarpaulin, rope, nails, tools, and a solar light.

“
All of it was useful. ShelterBox really helped the victims of the typhoon. We are very grateful to ShelterBox - their help is a big help for us.

WHO WE ARE

ShelterBox is an international disaster relief charity. We provide shelter, essential items, and technical assistance to help some of the world's most vulnerable people recover and rebuild their homes after disaster.

We listen and adapt our support to the needs of each community, working together with those affected by disaster, alongside our supporters and partners.

INNOVATION

ShelterBox has long-term programs in conflict zones, and is also constantly monitoring disasters around the world so we can respond where we are needed most.

Our teams are always adapting and learning from families to understand how we can improve our aid items for future responses.

PARTNERS

Strong partnerships with trusted local organizations provide valuable connections to each community.

Our partnership with Rotary International enables us to collaborate and combine resources to ensure that we can support more communities in desperate need of shelter.

A CUSTOMIZED SOLUTION

Every disaster and community is different. This is why we have a flexible approach. We listen and learn from the communities we work alongside to provide them with the right tools to self-recover. Training is also a vital part of our work.

COMMUNITY RECOVERY

It's not just about giving families shelter, it's about ensuring families have the best possible chance of long-term recovery. Shelter is more than a roof, it empowers families to start the process of getting back on their feet.
